*** Puppy Agreement with Breeder and Pup Buyer ***

I understand and agree, that Docheno Kennels REQUIRES that owner put "DOCHENO" or "DOCHENO's" in the AKC Registered Name. Doing so, original owner has a guarantee on pup for hips and eyes until 26 months of age. This guarantee is not transferable to another owner different than original owner listed above. Guarantee is also VOID if dog is on trial for sale. Pup must be picked up at 8 weeks of age or new owner will be charged boarding/training fees. I understand and agree with these terms.
